With this, you will have something for every topic. The Best, Tamil Stickers app is here. Now, you can use stickers to make your conversations more fun. More than actors, there are also random Tamil stickers that you can use and others that are popular among users. However, before you make the addition, you should know that the app must run in the background for you to be able to use it. Ans: Some phones doesn't allow this app to run in background. However, unlike other WhatsApp sticker packs, you must have the app running in the background to use the stickers it provides. How do you use the app? 500 Tamil Stickers for WhatsApp is a lightweight application that gives you access to more than 500 Tamil stickers. Dear User, Please download the latest version. We have fixed the bug you reported. We have added lot more stickers. Please review your ratings. As mentioned, the stickers come in different categories, many of which feature popular Indian actors, such as Senthil, Goundamani, Ajith Kumar, and Vadivelu. Also worth noting is the fact that the stickers mostly feature Indian actors. Should you download? 500 Tamil Stickers for WhatsApp is a fun WhatsApp sticker pack that you can use. Go to Settings->Battery->Battery Optimization and then choose WhatsApp Tamil Stickers then choose "Don't Optimize". However, the stickers are audience-specific as it mainly features Indian comedians. When I try to import, WhatsApp throws an error saying "The number of stickers is not between 3 and 30". You can use these stickers in the latest version of WhatsApp. Then, click the Add to WhatsApp button. To use it, all you have to do is download and launch the app. The developer, banuchander janarthan, indicated that the app's privacy practices may include handling of data as described below.
